

Website Accessibility Statement

At Silverstray, we are committed to ensuring digital accessibility for people of all abilities. We are continually improving the user experience for everyone and applying the relevant accessibility standards.

Accessibility on Silverstray Website

Silverstray strives to adhere to the Web Content Accessibility Guidelines (WCAG) 2.1 AA standards to ensure our website is accessible to individuals with disabilities. We regularly assess our website using automated testing tools and engage in manual testing to identify and address any accessibility issues.

Feedback

We welcome feedback on the accessibility of Silverstray's website. If you encounter any accessibility barriers or have suggestions on how we can improve accessibility, please contact us at [contact information].

Accessibility Features

Here are some of the features we've implemented to enhance accessibility on our website:

- Alternative text for images and non-text content
- Keyboard navigation support
- Clear and consistent headings and navigation structure
- Descriptive link text
- Compatibility with screen readers and other assistive technologies
- Assistance

If you require assistance or have questions about the accessibility of Silverstray's website, please don't hesitate to contact us. Our team is dedicated to ensuring everyone can access the information and services provided on our website.

Future Improvements

We are committed to making continuous improvements to enhance the accessibility of our website. As technology evolves and accessibility standards advance, we will strive to incorporate best practices and ensure equal access to our digital content for all users.
